Thursday – October 27, 2016

11:00 – 11:30 am Symposium

- 100. Beyond the Droplet: Preventing Viral Respiratory Infections in Healthcare Settings
  
  **Speaker:** Susan Coffin  
  **Session Name:** Healthcare Associated Respiratory Infections  
  **Location:** New Orleans Convention Center, Room 271-273

12:30 – 2:00 pm Poster Presentation

- 242. Impact of a Clinical Pathway and Rapid Direct Influenza Polymerase Chain Reaction Test Introduction on Appropriate Testing and Treatment Among Non-hospitalized Children with Influenza-Like Illness  
  
  **Dan Chang, Kristen Feemster**  
  **Poster Abstract Session:** Diagnostics: Virology  
  **Location:** New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation

- 376. Molecular and Clinical Epidemiology of Extended-Spectrum Cephalosporin-Resistant Infections caused by Enterobacteriaceae Species Other than Escherichia coli and Klebsiella pneumoniae  
  
  **Theo Zaoutis**  
  **Poster Abstract Session:** HAI: Multi Drug Resistant Gram Negatives  
  **Location:** New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation

- 384. Exploring Clinic Characteristics and Opportunities for Hand Hygiene Among Parents and Patients in Pediatric Ambulatory Settings  
  
  **Sade Odeniyi, Julie Szymczak, Susan Coffin, Kristen Feemster**  
  **Poster Abstract Session:** HAI: Pediatrics  
  **Location:** New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation

- 389. A Multidimensional Quality Improvement Initiative to Reduce Pediatric Healthcare-Associated Respiratory Viral Infections  
  
  **Hillary Hei, Cindy Hoegg, Sarah Smathers, Susan Coffin, Julia Sammons**  
  **Poster Abstract Session:** HAI: Pediatrics  
  **Location:** New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation

  
  **Julia Sammons, Rachael Ross, Susan Ditaranto, Margaret Gilman, Anne Reilly, Leslie Kersun, Amanda Shanahan, Susan Coffin**  
  **Poster Abstract Session:** HAI: Preventing Device-Associated Infections  
  **Location:** New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation

- 698. Risk factors and outcomes for children with carbapenem-resistant Enterobacteriaceae: a multicenter case series  
  
  **Katie Chiotis, Theo Zaoutis**  
  **Poster Abstract Session:** They've Been Here a Billion Years! Pediatric Bacterial and Viral Infections  
  **Location:** New Orleans Convention Center, Poster Hall
Friday – October 28, 2016

12:30 – 2:00 pm Poster Presentation
- 1137. Culture-Negative Septic Arthritis in Children
  Evangelos Spyridakis, Kevin Downes, Jeff Gerber, Laura Anatale-Tardiff
  Poster Abstract Session: Clinical Infectious Diseases: Bone and Joint, Skin and Soft Tissue
  Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
- 1267. Who Gets Treated for Influenza: Predictors of Antiviral Prescription Receipt Among Children with Outpatient Influenza-Like Illness
  Kristen Feemster, Susan Coffin
  Poster Abstract Session: Clinical Infectious Diseases: Respiratory Infections
  Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  Sade Odeniyi, Julie Szymczak, Susan Coffin, Kristen Feemster
  Poster Abstract Session: Clinical Infectious Diseases: Respiratory Infections
  Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
- 1461. Use of an Intraoperative Checklist to Achieve High Reliability in the Reduction of Neurosurgical Shunt Infections
  Lauren Farrell, Cindy Hoegg, Mary Ann Gibbons, Lauren Satchell, Roseann Osadchuk, Talene Metjian, Sonja Joiner Jones, Greg Heuer, Julia Sammons
  Poster Abstract Session: HAI: Surgical Site Infections
  Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
- 1633. A marginal structural approach to measuring the comparative effectiveness of echinocandins vs. fluconazole therapy for the treatment of adult candidemia (MSG-12)
  Laura Anatale-Tardiff, Theo Zaoutis, Brian Fisher, Kelly Getz, Rui Xiao
  Poster Abstract Session: Mycology - There's a Fungus Among Us: Treatment
  Location: New Orleans Convention Center, Poster Hall

Saturday – October 29, 2016

10:30 am – 12:00 pm Symposium
- 1766. Antimicrobial Stewardship in the Outpatient Setting
  Speaker: Jeff Gerber
  Session Name: Pediatric Antimicrobial Stewardship
  Location: New Orleans Convention Center, Theater A & B

12:30 – 2:00 pm Poster Presentation
- 1899. Effect of clinical pathways on antibiotic prescriptions in an emergency department: Italian pediatric antimicrobial stewardship starts here
  Daniele Dona, Rana Hamdy, Theo Zaoutis
  Poster Abstract Session: Antibiotic Stewardship: Outpatient and ED
  Location: New Orleans Convention Center, Poster Hall
12:30 – 2:00 pm Poster Presentation
  o 1911. Accuracy of Administrative Data in Comparison to Administered Antimicrobial Doses for Hospitalized Children
     Jeff Gerber
     Poster Abstract Session: Antibiotic Stewardship: Pediatrics
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 1916. Antibiotic Use for Children with Pneumonia: Sustained Adoption of National Guidelines at US Children’s Hospitals
     Jeff Gerber
     Poster Abstract Session: Antibiotic Stewardship: Pediatrics
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 1921. Variability in Antifungal and Antiviral Use in Hospitalized Children
     Jeff Gerber, Rachael Ross
     Poster Abstract Session: Antibiotic Stewardship: Pediatrics
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 1931. Variability in Use and Total Expense of Inhaled Tobramycin for Hospitals Contributing to Pediatric Hospital Information Systems (PHIS)
     Jeff Gerber
     Poster Abstract Session: Antibiotic Stewardship: Pediatrics
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 1933. Comparative effectiveness of intravenous versus oral antibiotics for post-discharge treatment of perforated appendicitis in children
     Jeff Gerber, Daniele Dona, Evangelos Spyridakis, Areti Kyriakousi, Talene Metjian
     Poster Abstract Session: Antibiotic Stewardship: Pediatrics
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 2261. Impact of Antimicrobial Prophylaxis on the Development of Antimicrobial Resistance
     Jeff Gerber, Brian Fisher, Rachael Ross, Ron Keren, Theo Zaoutis
     Poster Abstract Session: Pediatric Potpourri
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Presentation
  o 2304. Bloodstream Infections in Children Following Solid Organ Transplantation
     Jeff Gerber, Rana Hamdy, Ella Magun, Shikha Saxena, Brian Fisher
     Poster Abstract Session: Transplants: Infection Epidemiology and Outcome in Solid Organ Transplantation
     Location: New Orleans Convention Center, Poster Hall

12:30 – 2:00 pm Poster Discussion Round
  o 2348. Antibiotic Stewardship: Pediatrics Plus
     Session Leader: Theo Zaoutis
     Location: New Orleans Convention Center, Poster Hall
2:00 – 2:15 pm *Oral Presentation*

- **2386. Antibiotic-Associated Acute Kidney Injury in Hospitalized Children**
  - **Speaker:** Kevin Downes
  - **Session Moderator:** Theo Zaoutis
  - **Oral Abstract Session:** Pediatric Antimicrobial Stewardship: Controlling the Bugs and the Dollars
  - **Location:** New Orleans Convention Center, Room 275-277

2:15 – 2:30 pm *Oral Presentation*

- **2387. Variability in antibiotic use in pediatric intensive care units**
  - **Session Moderator:** Theo Zaoutis
  - **Oral Abstract Session:** Pediatric Antimicrobial Stewardship: Controlling the Bugs and the Dollars
  - **Location:** New Orleans Convention Center, Room 275-277
